Frankfort Chamber of Commerce Backs All-Community Festival

At its last meeting, the Frankfort village board gave approval and a hearty endorsement to an all-community festival day July 26 to be sponsored by the recently organized Frankfort Chamber of Commerce.

Proclaimed by George C. Sangmeister, Mayor of Frankfort, as The Frankfort Town and Country Jamboree the festivities are planned for the enjoyment of all the people in the community who live and trade in Frankfort.

According to spokesmen for the Chamber of Commerce, it is to be a fun

day for everyone, solely to foster good feelings and neighborly spirit for the country and town people alike.

Features of the day will include a free barbecue lunch at the village hall to all present, a parade, a demonstration of the new fire equipment by the fire department, merchandise give-aways by cooperating business men, favors and refreshment for the entertainment of every member of the family.

The celebration will present the opportunity for the village and businessmen to show off their lat-

est improvements. Resurfacing of the village streets will be complete, new parking facilities promoted by the Chamber of Commerce will be ready and many merchants have enlarged services and quarters to present to the public.

The Frankfort volunteer fire department has also selected this date for its annual outdoor dance at Frankfort grove. The refreshment booths will open immediately following the jamboree at 5:30 pm. with dancing to follow.

Cut Weeds and Give Hay Fever Victims Break, Urges Elliot

With the hay fever season just around the corner, New Lenox health officer, Noel Elliott, wishes to remind property owners spreading suffering and sneezing.

The village of New Lenox has a weed ordinance which requires property owners to keep these leafy menaces mowed.

The measure provides that in event owners fail to cut the weeds on their lots the village will have the job done and the work charged against the property. People who do not pay such bills, it was pointed out, will find them filed as a lien against the real estate.

Village officials would rather not resort to such action and hope that lot owners will keep weeds cut, either as a matter of pride in keeping their property up or out of consideration to neighbors and other dwellers who may suffer from an allergy that is kicked up by flying pollen.

Recent rains have caused weed growth to spurt. Use of weed killers has increased considerably in the past couple of years with the result that the crop is less than in former years but there is still plenty of noxious vegetation a recent inspection revealed.

Lincoln-Way Band Elects Officers for Coming Year

The band of the Lincoln-Way high school met in the school Wednesday evening, July 2. This was the first meeting with the new officers present.

Officers for the 1958-59 year are: Charles Hammond, president; Ronald Steinberg, vice president; Sharon Jedlich, secretary; Gwen Doring, treasurer; Lois Sluiter, reporter; Penny Siegen, librarian.

Plans were discussed for the concerts to be held during this summer, which will begin soon, and also for some trials which the band will make.

Following the business meeting, the regular band rehearsal was held.

New Lenox Seeks Aid

St. Mary's to Hold Fiesta July 16 thru 20

St. Mary's parish annual fiesta is to be staged at Mokena for four days next week, starting Wednesday, July 16, and ending Sunday, July 20.

There will be rides, concession booths, refreshments and many prizes will be awarded before the affair is concluded. The fiesta will be held at St. Mary's hall, 195th street and Wolf road.

Proceeds from the fiesta will be applied to the school fund. Enrollment in St. Mary's parochial school grew to such an extent that a new school was built. A new church also was erected.

To meet payments on this building program the parish has engaged in various fund raising endeavors and the annual fiesta which is held in the summer is one of the major means of getting money.

A chicken dinner is to be served on Sunday, July 20, starting at noon and it is expected the event will draw many visitors as the fame of this meal has spread thru the area.

The rides will include a large merry-go-round and a ferris wheel, according to those in charge.

All kinds of merchandise will be available at the concession booths, it was explained.

Prizes to be awarded will include a wrist watch, an electric barbecue set, hams, a portable ice box, a radio set, and a combination color TV, hi-fi and FM radio set.

Death Claims J. A. Hauck, 85

Funeral services for John A. Hauck, 85, who died Monday (July 7) at his home, 207 Maple st., New Lenox, were conducted yesterday afternoon at St. John's English Lutheran church, Joliet, with burial in Elmhurst cemetery.

The body was removed from the Baskerville chapel, Lincoln highway and Robert road, New Lenox, to the church at noon yesterday to lie in state until 2 o'clock when services were held with the Rev. Edward Anderson officiating.

Mr. Hauck was born at Mokena, Aug. 29, 1873. Most of his working life was spent at Joliet. He was employed there by the Sawyer Woodworking Co. from 1910 until it closed in 1933 and during the next six years he worked at the United Wall Paper Co. plant at Joliet.

Mr. Hauck had been a resident of New Lenox since 1945 and for most of the time since had been employed part time at the New Lenox Gas and Oil Co., operated by a son, Sheldon W. Hauck.

Besides his wife, Minnie, Mr. Hauck is survived by two sons, Sheldon and John L., also of New Lenox, and five grandchildren. Two other sons, Earl and Everett, preceded him in death.

Annual Reunion of Yunker Family to be Held Sunday

Calling all Yunkers. The annual Christ Yunker family reunion will be held at the Orville Yunker farm near Frankfort Sunday, July 13, beginning with a potluck dinner at noon. All are invited to attend.

Mokena, Frankfort School Bands to Give Two Concerts

The Mokena and Frankfort grade school bands will unite to play an outdoor concert next Wednesday night, July 16 at the Frankfort school grounds. The time is set for 7:30 o'clock. The two bands will play a concert on the Mokena school grounds on Sunday, July 27.

Visit to Springfield Gives Berlin Hope for Sewer Program

If New Lenox is to have a water and sewer system, state or federal financial help is necessary, it is agreed by those who have made a study of the problem.

Lloyd Berlin, mayor of New Lenox, is hopeful that such aid will be forthcoming.

The problem as it stands carries two certainties: 1.—New Lenox needs a water and sewer system. 2.—Cost of such improvement is beyond reach of the community.

On Monday of this week Mayor Berlin, Mayor James Marti of Mokena, Mayor James P. Hennessy, of Joliet, County Board Chairman Meade Baltz and other officials met with Gov. Stratton and other state officials to discuss flood control along Hickory creek.

Speaker of the House Warren Wood, State Senator Lott Holman O'Neill and Representatives Louis Bottino and Francis J. Loughran were also present.

Thomas B. Casey, chief engineer of the division of waterways was instructed to make a survey and come up with a proposal to meet the flood problem by Oct. 1. The governor believed that state financial help would be forthcoming to widen and deepen Hickory creek.

Richard street in Joliet to where it empties into the waterway. This stretch now serves as a bottleneck and some engineers believe that if widened and deepened there, high water can be carried off more speedily.

A similar proposal was made some years ago and the legislature passed a bill appropriating \$600,000 for the work. Adalair Stevenson, then governor, vetoed the bill. If a similar bill is passed at the next session of the general assembly Stratton will approve it, it was indicated.

Floods on Hickory creek cause considerable damage in the Mokena and New Lenox areas, soil loss as well as property damage, and people exposed to the threat of high water are naturally interested in finding a solution. It is possible, engineers say, that breaking the bottleneck near the creek's mouth may be the remedy. At least, they say, it should help.

Charge Mokena Youth Ran Over Deputy Sheriff With Automobile

Charged with leaving the scene of an accident and illegal transportation of intoxicants, 19-year old John J. Armin, Jr., Wolf road, Mokena, is at liberty on bonds of \$1,000.

He was arrested Sunday night after he had driven his car over a deputy sheriff, Fate W. Piercy, 47, of Channahon, on duty at the Hill Top theater on U. S. 6, and then fled at high speed. Piercy was taken to Silver Cross hospital where he was found to have a broken leg and head injuries.

A state trooper, Fred Brock, of the Joliet district, had noticed a blue and white Ford, without a hood, parked in Mokena Saturday evening and when word was flashed of the incident at the drive in theatre, Brock suggested that the hit-run car might be found in Mokena.

Trooper John Mitchell, of District 4, who was at Cicero and U. S. 6 when the message came thru on state police radio, sped to Mokena. He found the car and driver at a gas station and placed Armin under arrest.

Armin was then turned over to Corporal Michael Frankovich and Trooper Perben of Joliet district when they arrived a few minutes later and they brought him to the Will County jail where he was locked up until taken before Justice of the Peace Anthony R. Mackay at Joliet at 11 o'clock Monday morning.

On recommendation of Nicholas Fornango, chief investigator for State's Attorney Frank H. Masters, bond was set at \$1,000 and the case continued 10 days, pending the condition of the injured officer. Bond was posted by Armin's father and the youth was released.

According to witnesses, Armin, accompanied by a couple came to the theater about 9 o'clock. Armin was quoted as saying that he wanted to go inside for a few minutes to see a friend. The girl at the ticket office asked him to leave some identification and Armin left his wallet at the gate.

Witnesses say that when he got inside Armin began speeding and driving in a reckless manner among the cars and then headed toward the gate.

Deputy Piercy, who operates a garage and is a special deputy employed at the Hill Top as such, saw Armin and head-

Bandit Gets \$17 at Motel

A lone bandit, armed with a blue steel pistol, staged a stick up at the Valley View Motel, U. S. 30, a short distance east of Wolf road, in Frankfort township, the night of July 4. He obtained \$17 and fled in a gray car, heading east on U. S. 30.

Stanley Wildman, operator of the motel, told Deputy Sheriff Charles Timm and Robert Munson, that he was standing in front of the motel office about 9 o'clock last Friday night when a man got out of a car and approached him.

The stranger asked if there were vacancies, and when Wildman answered there were none the man pulled out a pistol and ordered him into the office. There, after taking Wildman's wallet, the bandit emptied it of cash and fled. There was \$17 in the wallet.

Wildman described the man as about 29 years old, 5 feet 11 inches tall and his weight as about 160 pounds. He was wearing a yellow sport shirt, worn loose outside his trousers.

\$10 Saves \$100 for Sewer Users

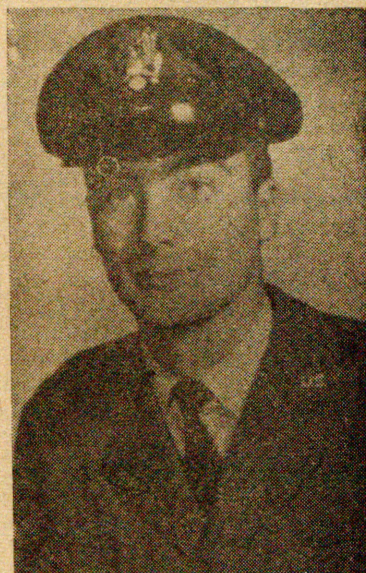

An ordinance adopted at the last village board meeting in Mokena covering requirements and specifications for sewers on individual hookups, states a \$100 tap-in fee will be charged for domestic use of sewers and \$200 for commercial use.

It has been pointed out that this fee covers only these property owners who have not already sent in an application for sewer service and paid \$10. Those who have paid this amount and made application will not be required to pay the tap-in fee.

The village is installing the sewers up to property lines, but individual property owners are responsible for connections to the property.

Lt. Roe Walker Draws Duty at Kansas Bases

Lt. Roe E. Walker, son of Mr. and Mrs. Daniel T. Walker of Francis rd., New Lenox was home on leave last week with his family. He reported to McConnell Air Base in Wichita, Kan., on July 7, where he will remain for 2½ months for further training. He will then be stationed for 3½ months at

Lt. Walker

Topeka, Kans., following which he will report for permanent duty at Salina, Kansas.

While stationed at Laredo Air Force Base in April, he was chosen instructor of the month.

The 24 year old jet pilot graduated from the University of Illinois in 1954 with a BS degree. He received his commission in the USAF thru the AFROTC program conducted at the university.

He entered pilot training at Bainbridge Air Base, Ga. Upon completion of primary training, he received a letter of commendation from the base commander designating him as the outstanding student officer in his class. He completed basic pilot training at Laredo, being one of the top ten per cent of the class.

The outstanding officer received the following praise from his squadron commander: "Lt. Walker is a thoroughly qualified instructor. His initiative, enthusiasm, loyalty, leadership ability, and flying proficiency are far above average. His efficiency and ability have contributed greatly to the success of the flying training program."

Lt. Walker's wife is the former Marcia K. Stenberg of Highland Park. They have two children, Scott and Kathryn.

Ralph Yunker Takes Job With Chicago Hts. Engineering Firm

Ralph Yunker, son of Mr. and Mrs. Walter Yunker, who was graduated from the University of Illinois this June with a bachelor of science degree in civil engineering, is now employed as a civil engineer at Mumford Engineering Company in Chicago Heights.

The Misses Lurene Brown and Betty Boyson of the Methodist Youth Fellowship are attending church camp at Conference Point on Lake Geneva, Wis., this week. Mr. and Mrs. Elias Brown and Paul took them up on Sunday afternoon and will return for them on Saturday.

A son, Robert Alan, was born to Mr. and Mrs. Gordon Bruce in Silver Cross hospital on July 3. The little fellow weighed six pounds, 13 ounces.

Raymond Joe, two year old son of Mr. and Mrs. Ray Bisgrove fell in the kitchen of his home last week and was badly cut around the mouth. He was rushed to Silver Cross hospital where first aid was given him and a number of stitches taken.

Mrs. Rose Bechstein who fell and broke her hip and shoulder two weeks ago, and underwent surgery at Silver Cross hospital to have the hip pegged, is doing very nicely. She is able to sit up in a wheel chair.

Mrs. John Hubler spent several days last week in Silver Cross hospital taking super-sonic treatment for the arthritic condition in her neck.

Mrs. Henry Shevlin is in Silver Cross hospital this week-end for observation.

(Editor's Note) The pleasant new voice that you are now hearing when calling our Mokena office is that of Mrs. Mercia McCutchen who has come from our Tinley office to our Mokena office to help out and relieve me of much work. Mrs. McCutchen will be happy to have you call her any time Monday or Tuesday morning when you have some news that would be nice to have in this column.

(Continued from page 1)

ference was not stated. Sewage from Frankfort also finds its way into Hickory creek and it is one of the communities that the state water board has told to build a sewage disposal plant and sewer system.

Mokena was another so instructed and so was New Lenox. Mokena has gone ahead and is now in the midst of construction of a sewer and sewage treatment plant. New Lenox has had similar orders but before that some of the people there have urged the people there had a sewer system to replace private wells and septic tanks.

Mayor Berlin pointed out that for the past seven years the proposed sewer system has been under discussion. Some figures were furnished several years ago by an engineering firm but a subsequent survey and plans show that the previous figures are unrealistic, it was stated.

The latest figures show that cost of a water and sewer system to adequately serve New Lenox would be in the neighborhood of \$2 million.

New Lenox could only issue around \$100,000 in general obligation bonds on its present assessed valuation and the remainder would have to be financed thru revenue bonds. General obligation bonds are paid off by taxes; revenue bonds would be paid off out of money collected for water and the use of sewers.

The cost, in New Lenox case, would be so high as to be prohibitive, so the village board has taken no further action.

Mayor Berlin has hopes now that something can be done. He learned at Springfield Monday that there was a possibility that New Lenox could get an outright federal grant of around \$150,000 to apply on a sewage disposal plant. Mokena was awarded \$69,000 grant for this purpose. The grant is based on a percentage of the cost of the disposal works and is given as a part of the government's campaign to rid streams of pollution.

The mayor also learned that

in the event bond houses will not finance water and sewer projects loans can be made thru the federal government. It is possible that New Lenox could make such a loan, it was said.

The mayor feels encouraged and said the village board would investigate these new avenues of approach to its problem.

"We are right in the middle", Berlin said. "Joliet has spent several million dollars on a sewage disposal plant and a big sewer to replace the use of Hickory creek as one."

"Mokena is now in the process of building a sewer and sewage plant. Both of those communities are carrying out these programs on orders from the state. The state has ordered us to take care of our sewage problem. We want sewers in New Lenox, we want a sewage disposal plant and we want a water system. We are also willing to pay for such improvements within the range of our capabilities."

"We can't go broke doing it, however, and unless we can get some help from the state or the federal government, I don't see how we can swing it."

"At Springfield this week I talked to the governor, Casey, C. W. Klassen of the sanitary water board, Congressman Noah Mason and other officials, explaining our willingness to cooperate and to help ourselves to the best of our ability, but that we would need help. I am satisfied they have a better understanding of our problem and I have hopes that we will have their cooperation in solving it."

Will Co. Teams Place in State 4-H Judging Contests at Urbana

Will County Dairy 4-H judging team was given a "B" rating at the State 4-H dairy judging contest in Urbana on Tuesday, July 1.

Members of the team were Irvin Termunde, Gloria Wassman, Chester Wilke, Nancy Klett, Bill Meyer, and Gene Klett. Chester Wilke received the team's only individual "A" rating.

The Will county livestock 4-H judging team received a "C" rating. Will county 4-Hers judging livestock classes were Phillip Francis, Dale Meyer, John Patterson, Richard Seeman, and Charles Johnson.

Vegetable judges were Wendell Anderson and Robert Demik, both getting individual "B" ratings.

More than 850 Illinois 4-H boys and girls took part in the state agricultural judging contests this year, according to Will county farm adviser, A. A. Wicklein. They were from 79 counties.

Contests were held in livestock, poultry, dairy and vegetable 4-H projects on Tuesday. Individual 4-H members could judge on only one of the judging teams. Each county could enter from one

to six contestants in each division of the contest. Counties entering less than three contestants in a division were not given a team rating, but the contestants were eligible for individual honors.

County teams and individuals were ranked in three groups according to the dual merit system of awards. A team ribbon was given to counties with Class "A" and "B" judging teams. Ribbons were awarded to individuals placing in Classes "A" and "B" judging teams. Ribbons were awarded to individuals placing in Classes "A" and "B". Medals will be awarded to members taking part in national contests later.

Illinois will be represented in national contests in all four divisions of the state contest by teams made up of three individuals and alternate to be selected from the A group of individuals, in the state contest. Dairy and livestock state teams will be selected at the state fair in Springfield on August 11 and 12. Poultry and vegetable state judging team elimination

tion contests will be conducted at Urbana on Sept. 27.

ed for the entrance to intercept him. Piercy, of course, was on foot. Armin reached the gate first and had retrieved his wallet but Piercy had taken a shortcut and was near enough to flag Armin down and motion him to pull to one side.

Piercy approached and at the door of the car began to remonstrate with Armin for the manner in which he was driving. He ended by asking to see Armin's driver's license.

Piercy was coatless and was wearing a star on his shirt, witnesses stated and added that at that point Armin twisted the wheel and stepped on the gas so that the car leaped forward against the deputy, hurling him to the ground and under one of the rear wheels.

Armin then sped east on U. S. 6. Later he told arresting officers that he did not know Piercy was a deputy.

Armin has been in difficulties before because of his driving and was arrested in Mokena several months ago on a disorderly conduct charge. The Will County sheriff's office served him recently with a warrant from Cook county where he was wanted for an alleged traffic violation.

Lower Age Limit in Play Program at New Lenox

The age limit has been lowered in the New Lenox supervised play program for the remainder of the season and 6-year-old youngsters may now enjoy the facilities, it was announced by Ronald Larsen, the director.

When the program opened last month the minimum age was nine. Larsen said that the younger children would be entertained with stories and games under the direction of Carol Werner. The play program, sponsored by the village board, is being conducted at the Lions Den. It is to close Aug. 1.

That there was included in the decree for which said real estate was sold forfeited taxes for the years 1931 to 1954, inclusive, delinquent installments 1 to 10, both inclusive, due in the years 1911 to 1920, both inclusive, respectively, of Special Assessment Warrant No. 1 (487), delinquent installments 1 to 5, both inclusive, due in the years 1912 to 1916, both inclusive, respectively, of Special Assessment Warrant No. 510, and delinquent installments 1 and 2, and 4th to 10th, both inclusive, due in the years 1926 and 1927, and 1929 to 1935, both inclusive, respectively, of Special Assessment Warrant No. 5, all of the Village of Steger, Illinois.

That the time of redemption from said sale will expire Nov. 24, 1958.

FURTHER TAKE NOTICE that the purchaser has, this 26th day of June, 1958, filed a petition in the Circuit Court of Will County, Illinois, in Case No. 58052, praying that said Court order and direct the County Clerk of Will County, Illinois, to issue a tax deed conveying said real estate to the purchaser, if

On July 21, 1939, Marine Capt. Arthur Page made the longest recorded blind flight up to that time, from Omaha, Neb., to Anacostia, D. C., a distance of 1,000 miles. He received the Distinguished Flying Cross posthumously for the flight, having been killed in the Thompson Trophy Race only a few weeks later.

Recent Rains Produce More Mosquitoes

According to the South Cook County Mosquito Abatement district the remaining two weeks of June will not be as mosquito free as the first two weeks have been. This is due to the increase in standing water resulting from more than six inches of rain during recent weeks and the accompanying amount of mosquito production.

The district experienced a light mosquito emergency around the Memorial Day weekend as a result of earlier May rains. The heavy rainfall thus far in June created conditions ripe for a major emergency around the 25th of this month.

The District's 24 field operators promptly went on to a ten hour day and six day week in an effort to control all known mosquito producing sites in the area before mosquitoes could work their way thru the various stages of development from egg to larva (wiggler) to pupa, to the adult mosquito menace.

To supplement this control work, and where possible to do so, the district used aircraft for about 3,000 acres of more extensive known areas of mosquito production within the 340 square mile area. The aircraft worked over the district on three separate days last week.

This work, coupled with the prebathing treatment of many sources which was done during the winter months while

the ground was frozen, should keep the June mosquito population below the peak of last year, altho it is known that not every existing source will have been treated in time to prevent some emergency.

This is the fourth year of operation of the South Cook District. There are three other mosquito abatement districts in Cook County, and a total of ten districts in the metropolitan area.

On July 30, 1942, President Roosevelt signed into law a bill authorizing enlistment and commissioning of women into the Navy and Navy Reserve.

Mr. and Mrs. C. N. Verret of Mt. Prospect and Ray Verret of Honolulu, were guests of Mrs. Verret's mother, Mrs. Joe Healy and family Saturday.

Congratulations, Dr. Hedges

Offering congratulations to one who has reached various pinnacles in life is considered the proper thing to do. So we take this opportunity to congratulate Dr. Walter V. Hedges of Frankfort, on having reached his 50th anniversary as a practicing physician.

We know that thousands of others in the area wish to echo the sentiment.

On the other hand we—all of us—are the ones to be congratulated on our good fortune in having had the skill, talents and care of such an able physician for so many years.

It was July 5, 1908 that Dr. Hedges came to Frankfort and hung out his shingle, to borrow a phrase from the period. In 1907, when he emerged from medical school and entered Chicago Memorial hospital as an intern, the country had suffered what in those days was called a financial panic. In many communities a sort of glorified I.O.U. known as script had taken the place of money.

Times were tough but when one is young and stands on the threshold of a professional career one can dismiss the present and look to the future.

When Dr. Hedges came to Frankfort he was just recovering from an illness. A native of Minnesota where he attended grade and high school and had two years at the University of Minnesota before entering medical school, the young doctor knew little about Illinois

except Chicago. He came to Frankfort at the suggestion of a man who had been born there, Dr. Joseph Stearn, an eminent specialist of his time.

Dr. Hedges wasn't sure whether he wanted to practice in a city or a small town and when he came to Frankfort he looked upon his stay there as temporary.

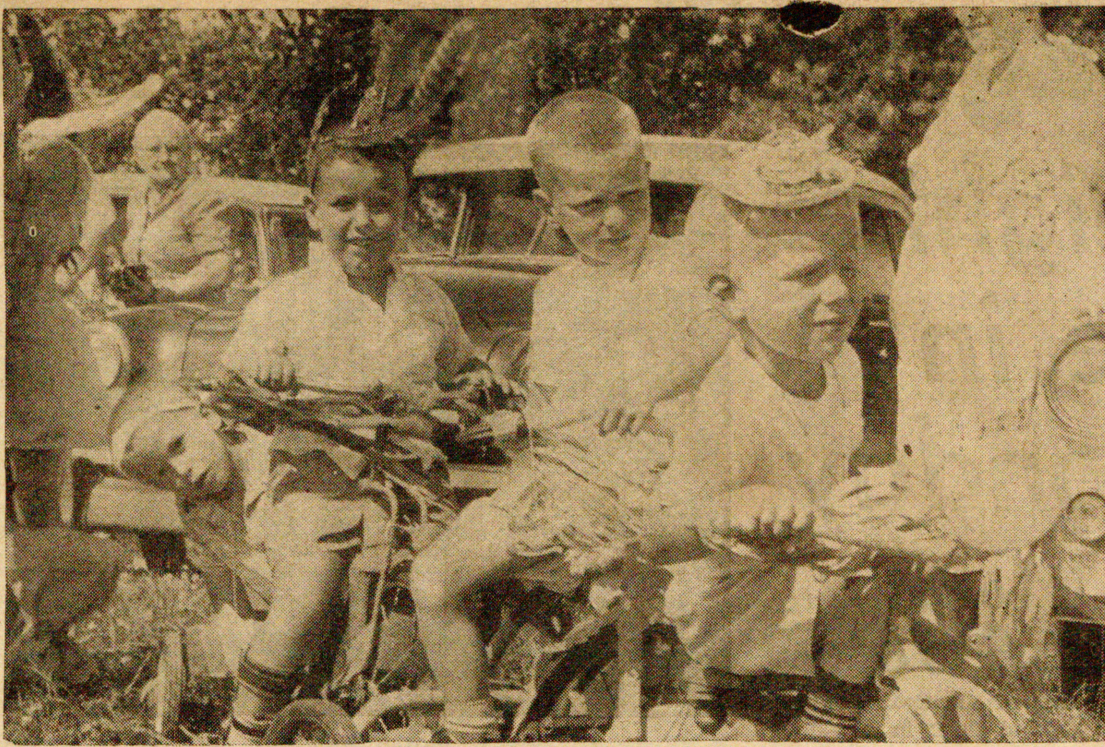

As it turned out he liked Frankfort and Frankfort liked the young doctor. His temporary stay has now extended to half a century. He could have made a lot more money in a city, and had it easier but he couldn't have done any more good nor made so many friends.

In that period he has traveled thousands of miles in mud, dust, rain, snow, heat and cold, nights as well as days in response to the calls from those who needed him.

As the area grew so did the demands upon his time and strength. In the course of his career he has had to advise patients to slow up a bit and take it easy. He had received similar advice himself from time to time from various colleagues and finally he decided to follow it.

That was when the clinic was formed in Frankfort that bears his name, and came to share his burden with others of his profession.

Dr. Hedges has done a grand job for the area and its people. Thanks, Doc, and stick around, will you?

IN CHILDREN'S PARADE at Frankfort Homecoming. The Homecoming was sponsored by the Frankfort American Legion post. It was a three-day affair and the children's parade was held Saturday afternoon. The youngsters shown here had just rolled into the park

serving barbecued hamburgers and hot dogs and coffee, with Dagmar Myrick in charge.

Mrs. Karl Ekberg representing the Orland area and Mrs. Jay K. Lamb, representing the Palos area, attended an executive board meeting of the South Suburban area of the American Cancer Society, July 1 at the Harvey YMCA. \$465.00 was the latest amount collected on the Cancer drive in Orland Park.

Mrs. Harry Anderson, Mrs. Franklin Loebe, Mrs. Harry Durham, Mrs. Martin Schumacher, Mrs. John VanBerschoot and Mrs. Sherman Knox, representing the local WSCS, attended the officer's training classes of the Woman's Society of Christian Service at Elmhurst First Methodist church last Tuesday afternoon.

Mrs. Wm. Greve, Mr. and Mrs. B. Sidell of Blue Island, and Mrs. Henrietta Sidell of Oak Forest were Sunday supper guests of Mrs. Karl Ekberg.

during the afternoon.

About 9 p.m. when Ralph Bloom fired the first unit of fireworks, the heavens opened up and down came the rain, but that did not phase Ralph, he waited until the heaviest down pour had subsided, when he continued with the display. He is to be commended for the fine demonstration.

The Legionnaires responsible for the whole affair are: Howard Orr, chairman of parade; assisted by Howard Braasch, Bob Johnson, Roy Benson, Ray Myrick, Ralph Pepe, Jerome Eckert, Peter Yoman, Ernest Wood, John Capodice, Ken White, Fred Dellapena, Bob Shannon, Dr. E. W. Schuessler.

The Orland Park police department with chief Gene Yunker, did an excellent job of controlling traffic on 143rd street, assisted by the state police on Route 45. The young folks enjoyed dancing in the hall.

Needless to say when the rain came, the folks running in the hall for shelter brought in a lot of mud, but that is all cleaned up and the hall looks as good as new.

Mile and a Half Long Parade Starts Festivities on July 4

By MRS. LILLIAN KNOX
Phone Fieldbrook 9-0211

The parade which the Orland Park American Legion Post 526 sponsored July 4 was a mile and one half in length and featured 26 motorized units plus 5 fire trucks. Starting from Highland ave. on 143rd st., members of the Post led with the Colors, followed by open convertible cars for the dignitaries escorted to the reviewing stand in the parking area of the new shopping center. In the first car were Mayor Walter R. Schuessler Jr., Coy Baumgardner, Commander of 8th District, Howard Braasch, Commander of Orland Post, Rev. Robert L. Plastow and Mrs. Sherman Knox, representing the Legion Auxiliary, Unit 526. In the second convertible were officials of the village board, Ike Cleveland, Paul Voss, Bretland Blair and Kenneth Halvorson. Miss Marcia Vleck rode in the third car.

In the procession were the Lincoln-Way High school band the Oak Lawn civic band, the Army with 24 lads from the Nike base in Orland featuring a missile on a low-boy trailer; Sr. and Jr. units of Rehfeldt-Meyer Post of Matteson; 15 mounted horses under the direction of Arlene Hughes, floats of the Palos Heights and Orland Park Chamber of Commerce; Orland-Hills Civic organization; T. H. Davidson & Co., MacKenzie's Restaurant; Kirks Grill; White-Meyer Wood Products; Loebe Realty, Illinois Lawn Equipment; Martin Implement; John Meier; Louis Cooper, Explorer Scouts, led by Joseph Kaiser; Orland Youth Association led by Bill Zinn; Cub Scouts from Palos Highlands; the Fantasy Bus from the Suburban Transit Co. with Orland Park Brownies and their leaders, Mrs. Howard Fish, Mrs. Robert Miller and Mrs. Richard Yang.

The last car in the parade was a hearse with a placard in back, "This is the End."

At the reviewing stand, Mayor Schuessler, Rev. Plastow and Mrs. Knox served as judges of the parade.

In the Orland Park Chamber of Commerce float, Reta Farr, Judy MacKenzie, Kay Halvorson and Pat Lyneng were the bathing beauties.

The fire trucks on parade were: Orland Park, Palos Fire Protection District, North Homer and Mokena.

After the parade, on the speakers platform at the hall, Marcia Vleck led in the National Anthem, Rev. Robert Plastow gave the invocation.

Roy Benson, Adjutant of the Post, introduced Commander Howard Braasch, who in turn introduced Mrs. Knox who represented the Legion Auxiliary.

Coy Baumgardner, 8th District Commander was guest speaker for the dedication ceremonies, with Rev. Robert Plastow as dedicatory. Rev. Plastow is a Past Chaplain of the 4th and 8th District, Department of South Dakota and Past Chaplain of the Department of South Dakota.

Mayor Schuessler, spokesman for the judges, read the trophy awards: Best Marching Unit awarded to both the Senior and Junior units of Rehfeldt-Meyer Legion Post of Matteson, Ill. Music, Oak Lawn Civic band; Float, Palos Heights Chamber of Commerce; Fire truck, Mokena; and Best Youth Purple People Eaters, sponsored by Orland Hills Civic Organization whose president is Leo Szufnarowski.

Joseph Kaiser, representing the Explorer Scouts was introduced as also was Bill

Zinn, president of Orland Park Youth Association.

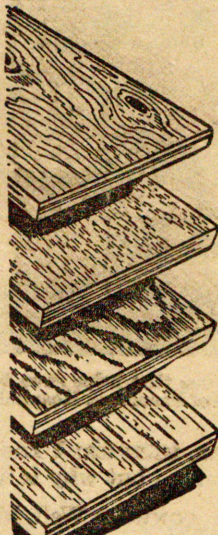

Sgt. Roscoe McGhee, U.S.A. retired, preceded the Colors in the parade and also commanded retiring the Colors.

Guests were invited to inspect the new home of the Post. Pop for the children and also free pony rides were held

membership fee is \$10.00 or more for individuals, and \$100 or more for service clubs, institutions, and industry. Checks may be made to Boy Scouts of America, and mailed or delivered to the council office, 5217 Holman Aveman, Hammond, Ind.

The sustaining membership enrollment is followed by the majority of Boy Scout councils throughout the United States. "This annual and renewable membership fee permits friends of scouting to identify themselves with the local program," said Clifford T. Nicholson of Homewood, general chairman of the sustaining membership enrollment.

Membership indicates acceptance of responsibility for par-

tnership in the Scouting enterprise, he declared. "Members obtain satisfaction in actually helping the local council to expand, taking advantage of new opportunities of serving youth."

Tinley-Palos Heights Play First Game in District Meet Monday

Managers and coaches of the five Little League baseball teams in Tinley Park, chose 14 members of the team to represent Tinley in the National Little League tournament.

The first game in competition will be held at 6 p.m. Monday, July 14, in Palos Heights. The field is located at 125th st. and Harlem ave.

This is the first year that Tinley Park has entered in Little League competition. Boys chose for the team are 11 and 12 years old.

All tournament games are conducted on the basis of single elimination until the final winner is determined.

This is a big moment in the life of these youngsters. Parents, friends, and Tinley boosters will wish to share it with the boys who have been practicing very hard this past week. But win or lose, nothing pleases a boy more than to have his parents in the stands and fans encouraging them to play their best.

The managers of the Tinley team are Edward James and Julian Nicks.

The team is composed of the following Little Leaguers: Richard P. Virtue, Thomas E. Albright, Robert J. Martello, Richard E. Wehr, Ronald W. Holt, Julian J. Nicks, Neal DeValk, Robert R. Meyer, William T. Bailey, Howard N. Willis, John P. James, John R. Doll, Lonnie E. Siebrant, and Gary Reynolds.

Lutherans Hold Top Place in Church Loop

The Zion Lutheran Church softball team pace the Tinley Park Church league after the first round of play. The Lutheran team now has beaten all the teams for a 3-0 record. Altho all the rain cancelled games have not been made up as yet, all of the other teams have lost at least one game. The Lutherans beat Reformed 7-5, the Methodist 12-11 and St. George 13-6.

The second place Methodist team has a 1-1 record having beaten St. George 6-5 for its win. They still have a make-up game to play against Reformed. St. George rests in third place with a 1-2 record with their lone win coming at the hands of the Reformed team 15-3. Thus far the Reformed team is in last place with no wins and two losses.

This week the Lutheran's throw their unbeaten string on the line against St. George and the Methodists take on the hustling Reformed team. All games are played on Wednesday and Friday evenings at the Memorial Park softball diamond at 7 p.m.

Tigers Drop 1st Game in League Play to Robbins Mascots 9 to 8

Tinley Park's entry in the South Section of the Cook County Police league was successful against Orland Park in a game played the Fourth of July, finishing on top of a 4 to 2 score. But in a game Sunday against the Robbins Mascot the Tigers suffered their first defeat since league play opened and so are in second place. The Mascots won 9 to 8.

Midlothian is in the undisputed lead of South Section of the league now by reason of its 3 to 2 victory over Matteson in a hard fought game last Sunday.

The Yanks of Robbins pulled out a surprise when they shut-out Oak Forest 2 to 0.

In the game last Friday, played as part of the Fourth of July celebration at Orland Park, the host team got away to a shaky start. Two errors enabled the Tigers to fill the bases in the first inning and a single by Ron Konig scored two runs.

Orland tied the score in the third inning, aided by a miscue by Romanerghi and a double by Moe. The Tigers left two men stranded in the fourth but after two were out in the fifth the Tinleys went to work. Paul Schuldt and Terry Schroeder singled, Klepper walked and up came Egger who slammed out a two base hit to score two runs. The score at the end of the fifth was 4 to 2 and it stayed that way to the end of the game.

In the tilt Sunday against the Mascots from Robbins the Tigers were not at their best defensively.

"Waddell" Bressi, Tinley's pitching ace, held the foe to six hits but there was too much juggling by his mates. In the third inning Robbins scored six runs on one hit, which anyone will admit is an excellent return on such an investment. Three walks also were involved and four errors.

Tinley bounced back in the fourth to tie it up at 7-all when Eggert hit a grand slam homer.

Robbins went ahead again in the fifth by two runs and was never headed. Tinley added a run in the sixth and started a rally in the seventh after two were out but it died, not without an argument, however.

Gallagher, batting for Konig, singled. Eggert ricocheted one of Hale, the Robbins pitcher and Gallagher was tagged coming home. The Tigers claim the tag missed but when the words died away it was three out and Robbins was the winner 9 to 8.

The Rev. Richard Kirkland of the Tinley Church of Christ gave the invocation before the game. Next Sunday the pre-game prayer will be offered by the Rev. Randolph Hahn, pastor of Zion Lutheran.

Mokena Small Fry Loses to Orland, 20-9

The Orland Park Small Fry entry in the Trico league overwhelmed Mokena Monday night at Mokena, 20 to 9.

Wild pitching and defensive errors were costly for both teams but effective use of their bats, particularly in hitting for extra bases, gave the Orland team a decided edge. Gorney was the winning pitcher, Brown the loser.

Mokena will play at Manhattan tonight and next Monday evening will be host to Frankfort. Good turnouts by fans, it was pointed out, will do much to encourage the youngsters.

The Mokena Babe Ruth team wound up tied with Matteson for first place at the conclusion of the first round of play, with each team having four wins against one defeat.

The second round of play was begun this week with a game at Frankfort Tuesday and one tomorrow night against Manhattan at Mokena.

Matteson and Mokena will clash at the Mokena park next Tuesday night.

The sale of decals, sponsored by the Baseball Association, will close this Saturday. The sale started 10 days ago. The treasury is in need of replenishing so the Association hopes everyone in the community will buy a decal from one of the boys. The decals sell at \$1 each.

A 12-POUNDER—that is the weight of this Northern Pike caught by the holder, Sylvester Vodnick, 17326 Sixty-eight Ct., Tinley Park, at a Canadian lake. Mr. Vodnick, who was accompanied on the trip by his wife and two sons, Bill and Jim, caught several four and five-pound walleyes too. While not as large as this fellow they are much easier to eat.

Joliet Midget Auto Races Attract New Drivers Within Wide Radius

Several newcomers will be making prominent bids to unseat the leaders in the midget auto races Saturday night at Joliet Memorial Stadium.

The Joliet quarter-mile clay oval, which seldom draws less than 3,000 fans and has the largest average attendance of any midget auto racing track in the midwest, has been attracting drivers from a wide area.

Among the drivers in their initial year at Joliet are Dick Ritchie of Cedar Rapids, Ia., Ed Kroncke of McHenry and Ken Wines of Indianapolis, Ind. Other include Ron Erfurth of Oregon, Wis., Al Fredenberg, Madison, Wis., and Cy Brodrick, Lorraine, Ohio.

However, the veteran pilots still are much in the running. Leading the pack this season are Bob Tattersall of Streator, Walt Wieneke of Libertyville, Dom Dellegrazio of Evanston, Jonny Meyers of Chicago, Wil-

★ Jim Conway, WBBM TV's Star of "In Town Tonight," meets Mrs. Hugh C. Michels, Jr., of Wilmette, Illinois

"Last summer I swore I'd give up baking..."

but with my new electric range, my kitchen never heats up... even when the oven's been on for hours!"

says Mrs. Michels

Modern electric cooking means a cooler kitchen... one that helps save Mrs. Michels' energy for outside activities. She is a member of the Junior Board of Passavant Hospital and other charitable groups.

JIM CONWAY: You know, electric cooking's the coolest kind there is. That's one of the main reasons it's becoming more popular every day with modern women like yourself!

MRS. MICHEL: Well, Jim, it's mighty nice to work in a cool kitchen! You see, Hugh and I do a lot of entertaining... and, of course, there're always cookies to bake for the girls... but with all the baking I do... company-size roasts, pies like this, everything, my kitchen still stays cool and comfortable.

JIM CONWAY: I'm sure it does, because actual baking tests prove that modern electric ovens keep kitchens an average of 10 degrees cooler than any other kind.

MRS. MICHEL: I know that from experience, Jim... but why is it?

JIM CONWAY: Well, Mrs. Michels, it's because electric ovens are insulated on all 6 sides... not just five... so that the heat stays in the oven where it belongs. And, of course, that's one of the reasons electric cooking's so economical... actually costs only 7¢ a day for the average family.

MRS. MICHEL: Speaking of families, Jim... why not stay and have some of this apple pie with us?

JIM CONWAY: Mm-m-m-m-m! Electric cooking does have its advantages, doesn't it?

Every day, more modern women cook the modern electric way

Eisenhower Sends Greetings to Orland Couple Wed 50 Years

Three letters of congratulations received by Mr. and Mrs. Conrad Uhe of Orland Park on the occasion of their Golden Wedding anniversary, will always be cherished. One was from Dwight D. Eisenhower, President of the United States; one from William G. Stratton, Governor of Illinois; and the third from Charles Carpenter, Illinois Secretary of State.

More than 250 guests attended the reception held for the couple in the home of their daughter, Mr. and Mrs. Fred Wolfman on 180th ave., Orland township.

On the receiving line with their parents, were sons Robert Bernard and Lester, of Orland; and Norman of Palos Heights; also their daughters, Mrs. Wolfman, Mrs. William Mutsch and Miss Hazel, all of Orland.

Their bridesmaid of 50 years ago, Mrs. Uhe's sister, Mrs. Anna Boyer of Hammond, Ind. and the best man, Charles O. Dendorf of Blue Island, were also present.

Also John C. Lewie, judge of the Circuit court in Chicago.

Altho the affair was a most enjoyable occasion, a shadow was cast when they got word that day of the death of Mrs. Uhe's sister, Mrs. Minnie Beebe who died in her home at Chesterton, Ind. The Uhes left the next day for Chesterton to attend the funeral.

Junior Women Sponsor Nursery at Orland Park

One of the main projects of the Orland Park Junior Woman's club, the nursery school in the play area has been in full swing.

Sand for the large sandbox is donated by T. H. Davidson and Company. Pails and toys supplied by the club are used during the outdoor period.

Lessons preparing the six-year olds for first grade in the fall are being taught by Mrs. Linda Moody who recently took a special course to prepare her for this pre-school training.

Crackers and milk are served daily and the children have story time, play time, and rest periods under Mrs. Moody's supervision, assisted by Miss Joan Ecker.

The kindergarten will continue thruout the month of July.

Phyllis Bisping, Roger Ullrich to Wed Saturday

Mr. and Mrs. John Bisping of Peotone announce the approaching marriage of their daughter, Phyllis, to Roger Ullrich, son of Mr. and Mrs. Harold Ullrich of Green Garden.

The wedding will take place at 8 p.m. Saturday, July 12, in Green Garden Methodist church, with the Rev. John Vautrin officiating.

All relatives are invited to attend the wedding ceremony.

The honor of being the first and only Marine officer actually to command a naval vessel in battle goes to Lt. John Gamble, who commanded the Greenwich during the victorious engagement with the British Seringatam on July 14, 1813.

Frankfort Man, Rockford Girl Exchange Vows

The wedding of Miss Jane Ann Benson, Rockford, and Grover Grant Weichbrodt, Frankfort, was solemnized in the Emmanuel Episcopal church in Rockford, Saturday, June 23 at 4 o'clock. The Rev. John K. Siedberg officiated at the double ring ceremony. The church altar was decorated with garden flowers.

James Morgan played appropriate selections on the organ as the guests were assembling and also accompanied Miss Karen Domke when she sang before and during the ceremony.

The bride is the daughter of Mr. and Mrs. Martin Howard Benson of Rockford, and the groom is the son of Mr. and Mrs. Wallace Weichbrodt of Frankfort.

Escorted by her father, the bride wore a gown of Chantilly lace trimmed with nylon tulle, with a full skirt. The waist was fashioned with a portrait neckline. Her waist length of English illusion veil fell from a plateau of matching lace trimmed with pearls. She carried a bouquet of lilies of the valley centered with a white orchid.

Mrs. Hall Bjerg, cousin of the bride, from Salina, Kans., was matron of honor. Bridesmaids were, Miss Carolyn Lohm, Ann Arbor, Mich., Miss Jeanette Maxwell and Miss Whitney Fearer, Oregon, Ill. Their gowns were of taffeta, with full skirts of net and lace. Mrs. Bjerg's was in blue, while the bridesmaids wore pink.

Scherrill Weichbrodt was best man for his brother, Usher. Usher were: Howard D. Benson, brother of the bride, John Keranen of Homewood, and Richard Starmann of Joliet.

The bride's mother wore a gown of dusty pink satin trimmed with pearls with matching accessories, and the groom's mother wore a gown of French beige Pe Adoso over silk organza. Both wore a corsage of white orchids.

Also in attendance was Martin Howard Benson, Sr., grandfather of the bride.

Following the ceremony a wedding reception was held in the Woman's Club rooms in Rockford. The bride's aunt, Mrs. Warren M. Benson, Miami, Fla., poured at the reception.

Following a motor trip thru the eastern states, the young couple will be at home after July 15 at 1722 Lincoln St., Hammond, Ind.

The bride was graduated in 1953 from East Rockford high school and from the University of Illinois in 1957. She taught last year in an elementary school in Rockford. She is a member of the Alpha Delta Pi sorority and of the American Association of University Women and a former member of the Intermediate department of the Rockford Woman's club.

The groom received his bachelor of science degree in chemical engineering from the University of Illinois and is now employed in the Research department of the Standard Oil company at Whiting, Ind. He is a member of the Theta Chi fraternity and Phi Eta Sigma Tau Beta Pi, and Phi Lambda Upsilon.

Zion Lutheran Church at Tinley Scene of Irving-Bacon Nuptials

Miss Eileen Irving, daughter of Mrs. Olive Irving and the late Phillip Irving was married to Robert Bacon, son of Mr. and Mrs. L. V. Bacon at a 7:30 candle-light ceremony Saturday, June 28, 1958 at Zion Lutheran church with Rev. Randolph Hahn officiating at the double ring ceremony. Both families reside at Tinley Park.

Baskets of white gladiola and palms graced the altar. Organist Mrs. Melvin Rensink accompanied soloist, Mrs. Randolph Hahn as she sang, "Oh Perfect Love," "Today O Lord" and "The Lord's Prayer."

The bride was lovely as she was escorted down the aisle by her brother, Phillip Irving from Carpentersville, Ill. Her floor length gown of Chantilly lace and pleated tulle was fashioned with a sweetheart neckline and long tapered sleeves which came to a point over the wrist. The illusion finger tip veil fell from a tiny pearl clip which she wore. A strand of pearls was her only jewelry. A bouquet of white bride's roses with ivy completed her ensemble.

Matron of honor was the bride's sister, Mrs. Jean Beck of Chicago. Bridesmaid, Miss Eva Goulding of Chicago is a cousin of the groom. Both attendants wore gowns of floor length pink net over taffeta with matching hair clip and shoes. A bouquet of pink carnations was carried by each.

John David Bacon, brother of the groom, served as best man with another brother Harold, as usher.

For her daughter's wedding, Mrs. Irving chose a street length lace sheath in dusty rose with white accessories. Mrs. Bacon wore a beige gown with like accessories. Both mothers wore pink carnation corsages.

A reception was held in the parish hall following the ceremony. Two hundred guests enjoyed the tasty and beautifully arranged buffet which was served by the Ladies Aid of the church. A four tier wedding cake graced the center of the buffet table. The newly weds spent several days at Springfield, Ill. and upon their return are making their home in the Tinley area. Both Mr. and Mrs. Bacon are employed with London and Laneshire Insurance Agency in Chicago.

7th, 8th Graders and High School Pupils of Dist. 33-C Plan Dances

By ELIZABETH B. ANDERSON
Lockport 886W2

The Husky Hustlers 4H club met at the Town Hall Wednesday evening with the assistant Farm Adviser, Alden Hickman attending. Plans for reorganizing were discussed, to be carried out at a later meeting.

A dance for seventh and eighth graders and high school pupils who live in District 33C will be held at the school this evening, July 10 from 8 to 10:30 p.m. Instructors Mrs. William Minuth and Fred Feil of New Lenox will be present; refreshments will be served and the party will be chaperoned. A small fee will be charged. These parties will be continued thru the summer if they are well patronized.

Mrs. William Johnson, Jr., 143rd and Hillcrest rd., entertained at a stork shower on her lawn recently, in honor of Mrs. John Schauer. Members of the Luncheonette club furnished the covered dish luncheon. Many lovely gifts were presented to Mrs. Schauer. About 25 guests attended which included, besides the Luncheonettes, several friends and relatives of Chicago.

Dale Morrison of Frankfort has returned to his home after spending two weeks with his grandparents, the Charles Dales of Hadley road.

Mr. and Mrs. Charles Dale, Jr. and family of Kankakee were Sunday visitors in the home of his parents.

William Johnson, III of 143rd st. recently received a painful kick in the leg from his horse, Ribbons. Fortunately, no bones were broken.

Mr. and Mrs. James Coleman and children of California are guests in the home of her parents, Mr. and Mrs. Reed Burch. Mr. Coleman is attending a business convention in Chicago.

Mrs. Bell Storm of New Lenox twp. visited her sister, Mrs. C. G. Rowley, a few days last week.

The Ray Carlsons entertained a group of friends at a swimming party and picnic supper on the Fourth. Among the guests were the Joe Vancil family, Mrs. Kate Vancil, Mr. and Mrs. Keith Hayden and Clyde Whitman, all of Downers Grove, Corwin Biddle of Cincinnati, O., Rocco Sinderson of Joliet.

Carolyn Drewes of Lockport was a weekend visitor of her friend, Dianne Moravec.

Good Luck Camp of Royal Neighbors will hold its annual picnic at Dellwood Park Thursday, July 17, beginning with potluck dinner at 12:30 p.m. Each person is asked to bring her own table service and a dish to pass.

Much of the corn crop of Homer attained the desired "knee high by the Fourth of July" goal although some spots have been stunted by too much rain.

The trustees of Homer church held their monthly meeting Tuesday evening at Bob Burch's home. The church will join in the drive for clothing for needy people thruout the world, which begins July 21.

Dr. C. W. Ingmire of Joliet, who is rabies' inspector for Will county, reports that more people in Homer township have had their pets vaccinated against rabies this year, than in any other township in the county.

Besides those who took advantage of the recent clinics at Bump's service station and the North-West Homer Fire barn, several met the doctor at a later date at the John Dixon yard and inoculations were given there.

It was through the efforts of Mr. Dixon and Mrs. George Burcham that the extra clinics were held for greater convenience to the 143rd street area.

Two cats and a racoon were among the pets to receive shots. Mrs. Burcham and Mr. Dixon wish to thank all who cooperated. The identifying red disc on the collars of the shot recipients, means that the animals will be saved from certain death, should they be bitten by a rabid animal, wild or domesticated, and of greater importance, should a human being be bitten by an inoculated pet, they are saved from the painful and expensive treatment necessary to avoid the danger of contracting rabies. Now we know one reason why so many people want to move to Homer.

Church Grounds Scene of Annual Carnival July 19

By DELORES ANDERSON
Phone New Lenox 3651

The annual carnival, sponsored by the Grace Episcopal church will be held Saturday, July 19, on the church grounds at Hickory st. There will be the usual games, parcel post, and various booths. Supper will be served starting at 5 p.m.

The Royal Neighbors held their annual picnic at the Lions Den July 9.

The New Lenox unit of Home Bureau will meet on Thursday, July 24 at the Lions Den on South Cedar road. Mrs. Ernest Rydberg, Mrs. Ivan Archibald, Mrs. Ben Martin, Mrs. Inez Gougar and Mrs. George Close will be hostesses. At this meeting the 4-H girls will demonstrate clothing projects and Mrs. Martin will give the lesson on "Control of Overweight Thru Diet."

The second period of Red Cross swimming lessons at Nowell park pool, started Monday morning, with several children riding the bus from Haven school. There are still openings in the swim classes and the third period of two weeks free swimming lessons will start on Monday, July 21, with buses leaving the Haven school at 8:15 a.m. each day Monday thru Friday. Children who have signed up for these lessons are asked to attend, rain or shine, as the instructors and aids have activities planned for the children in or out of the water.

Mr. and Mrs. Chris Kruspe spent the week of July 4 in Washington, D. C., and Silver Springs, Md., with their son and daughter, Mr. and Mrs. Elsworth Kruspe and family.

The New Lenox Garden club will meet today at 1:30 p.m. in the home of Mrs. Lee Skiniotes. After the meeting the members will view Mrs. Skiniotes garden, and tour the gardens of Mrs. Louise Rowe and Mrs. Madelyn Miller. Co-hostess will be Mrs. Eunice Vally, Mrs. Romaine Hassert and Mrs. Janice Jencon.

The Misses Ardis and Lois Batson of New Lenox, Pat Heisner of Frankfort, and Mary Lou Roschi of Chicago, have returned home from a week's vacation spent at Mt. Home, Arkansas. They stayed at the Little Pines Resort, owned by Mr. and Mrs. Fred Brooks, former New Lenox residents.

Adult swim lessons started at Nowell park pool, Monday, July 7.

Members of the Thursday Nites met at the home of Mrs. Dorothy Huttenhoff on Thursday last week. It was decided to cancel the July and August meetings. The September meeting will be held at the home of Mrs. Mildred Ericksen. A weiner roast will be held in July, in the home of Mrs. Mary Fox.

The committee in charge of

the affair, Mrs. Frances Wilmoth, and Mrs. Doris Krohn. The bakery given away was awarded to Mrs. Carol Klaus.

Mr. and Mrs. Dale Krohn and family had as their guests Saturday night, her parents, Mr. and Mrs. Herbert Minger, and her sisters, Miss Ruth Minger, and Mr. and Mrs. Wesley DePorto and son David of Frankfort. Birthday anniversaries, of Miss Ruth Minger, and Mrs. Krohn were celebrated.

The county zoning board will conduct the hearings on the billboard prohibition recommended by the county board and presented by Harry Chaddick, director of the county's rezoning project. The

The Naomi Circle of the Methodist church will not meet in July.

Toastmasters of the New Lenox area held their third annual picnic meeting June 30, at the beautiful ranch home of Mr. and Mrs. William Wilson, south of Mokena. This was a Ladies' Night meeting, and wives of club members were special guests.

Program for the evening was in the form of a panel discussion of items affecting the health and happiness of the average American family. Speaking on special phases of this subject were:

John Burlingame, "Maybe You DO Need a Psychiatrist"

William Steen, "How to Grow Old Gracefully"

Elias Brown, "Modern Surgery and How It Can Undo You"

Ernest Hoefer, "Planning for Retirement"

Lew Loebe served as moderator for the panel and directed the discussion period.

The Woman's Guild of the Grace Episcopal church will meet Thursday night, July 10, in the church basement for their monthly meeting.

Hostesses for the evening will be, Mrs. Emmett Sullivan, and Mrs. Louis Kolbe.

Members are urged to attend this meeting as plans for the annual Carnival will be made. The date for the carnival this year has been set for Saturday night, July 19.

said the anti-billboard measure for expressways and toll-roads would allow the county to collect a small bonus in federal grants for interstate roads. Federal regulations recently adopted by Congress provide a bonus of one-half of one per cent if billboards are restricted. This could mean an extra \$1 million for the county, Duffy said.

The county board has zoning jurisdiction only in unincorporated areas and the billboard amend-

ment would have no effect in Chicago and its suburbs, which have the authority to make their own rules.

The proposed ordinance also sets up a formula governing the size of billboards set back 300 feet and more from the right-of-way line of superhighways. The size of the sign could not exceed 1/200ths of the square of its distance from the highway.

Thus, the size of a billboard or advertising sign at

300 feet from the highway could be no larger than 450 square feet, while at 600 feet away it could be as big as 1,800 square feet.

The ordinance does not prohibit the use of business or identification signs. These signs do not advertise a product but rather the name and type of business being conducted on the premises.

New Neighbors
to Move into
Blowney Home

By MRS. ROBERT ANDERSON
Fieldbrook 9-2857

New Neighbors are expected in Laguna shortly. The Blowney house on Redondo has been sold to Mr. and Mrs. Leonard Huber of St. Louis, Mo. The Hubers will be neighbors of Mrs. B. Andrew.

Mr. and Mrs. H. L. Woodbury spent the 4th of July weekend at Pistakee bay with the Robert Carvers.

Miss Janine Nelson was the guest Saturday night of Miss Reva Cohan of Orland Park at a slumber party.

The Robert Andersons entertained seven couples at a supper July 5 on the screened breezeway with dancing later on the patio, which was surrounded with kerosene torches. Music was supplied by a hi-fi speaker.

Mr. and Mrs. Mose Hegyi entertained guests over the weekend. Mr. Hegyi took his children and several of the neighborhood youngsters to Willow Springs pool for a cool dip Sunday afternoon. The children who were invited were those who helped him bail out his tree wells. Nice gesture.

Mrs. Al Karre, Debbie and Julie, and Mrs. Art Aiello and son Tony and Terry enjoyed a dip in the cooling waters of a nearby lake Sunday afternoon. The William Garvins and Robert Andersons and son Charles Harris spent most of Sunday afternoon playing badminton in the Anderson yard. "Willie" Donohue was taking

hues and Al Karres at dinner Sunday.

STRENGTH FOR THESE DAYS

from the Bible

And they were all amazed at the mighty power of God... —(St. Luke 9, 43.)

Almighty God's power to heal us, physically, mentally, spiritually, has to be experienced to be believed—and it is available to all who love and obey Him. Truly, God is "the Great Physician, Who has never lost a case." His prescription is Faith; He expects no payment other than our love.

Business and Finance

By MAURICE P. ANGLAND

It is fairly safe to state that, under normal circumstances, security price changes affect investors psychologically more than financially. Common stock basic values are determined by factors including earnings, dividends, liquidity, growth and prospects for the corporation in which they represent pro-rata ownership. The price which someone is willing to pay for a stock—at a particular time under particular conditions—is no measure of intrinsic value.

All commodities that we eat, wear or use fluctuate in value. The only exception is for those commodities or evidences of ownership or debt which do not have a free market place in which comparative values are calculated by the investor. An example of this lack of a free market is had as to real estate mortgages. There is no market place in which this evidence of debt can be

carefully compared with like evidences of debt. However, if a given area had a group of mortgages with exactly the same beginning percentage loan, it is most unlikely that at the end of two years these same value. The difference would be accounted for by the mortgages would have the personal credit of the mortgagor, the manner in which the home is kept up and the security enhanced by improvements, etc.

Real estate mortgages are such highly personalized forms of indebtedness that it is almost impossible to find a common denominator which would foster an active market on which their value could be accurately calculated in terms that would make their trading easy in a formal market place.

In commenting on market fluctuations, Mr. Brian P. Leeb, Vice President of the Bankers Trust Company of New York, told the following story:

"An early industrial pioneer founded a business and it prospered. One or more of the sons, sons-in-law, and a few relatives eventually went into the business. The stock was held entirely by family members and no market outside this group. The stock changed hand occasionally at book value. It paid good dividends and the owners were happy knowing that the company was well managed and progressive in developing new

Robert Wheelers Attend Family Reunion While in California

By MRS. EMIL WILLE
Phone Frankfort 3161

A family reunion was enjoyed by the Robert Wheeler family during their 3-week vacation. The reunion was held in Surf Side, Calif., where they spent one week with Mr. Wheeler's brother, Arlight, and family.

About 40 relatives attended the family gathering. While the children remained with their aunt and uncle, Mr. and Mrs. Wheeler traveled the Coast route to San Francisco. In Carmel they saw the filming of part of the movie, "Love and War" starring Sherri North, Diana Winters, and Robert Wagner.

The family returned home via Colorado, visiting the Royal Gorge and stopping at Las Vegas where they visited the sights.

Horace Henninger of Washington, D. C., spent the week-end with his sister, Mr. and Mrs. Dwight C. Nicholson and family.

Mrs. William C. Davidson, Mrs. James Hatz, and Mrs. Dwight Nicholson accompanied 15 boys and girls to a ball game last Thursday. They saw the White Sox play Kansas City.

Mr. and Mrs. Donald Scotas returned Friday from a ten-day vacation. They motored thru Wisconsin and Michigan, spending some time at Manistee, Mich., visiting the latter's parents, Mr. and Mrs. Emory Ware. They also visited his relatives in Detroit, Mich.

Michael Urbano, son of Mr. and Mrs. Rudy Urbano had his tonsils removed at Silver Cross hospital last week.

Mrs. Walter Niedringhaus entertained at a party in honor of daughter Betty's 11th birthday. Those present were Betty's cousins, Mary and Patricia Trudeau of Chicago and Joan Marti of Mokena, Linda Hatz, Dorothy and Marilyn Kluth, Karen Ritt, Mary Marzano, Edna Lyons, and Karen Hank, all of Lincoln Estates. Games were played and a wienie roast held, which everyone enjoyed. Betty received nice gifts.

Walter Niedringhaus, children, Betty and Mark and Janice Wheeler spent Sunday at Bass Lake.

Herbert E. Hemingway is visiting his daughter, Mr. and Mrs. Robert Wheeler and family.

Guests in the home of Mr. and Mrs. Al Swatek last Saturday were Mr. and Mrs. Al Swatek Jr. and family of Griffith, Ind., and Mrs. Howard Bluth and son of Chicago.

Mr. and Mrs. Albert Swatek, Sr., received word of the death of the latter's brother-in-law, Gerald Hamilton, of Florida. He had been ill for quite some time. He died June 20. Military services were held at Miami and burial was at St. Petersburg, Fla.

markets and product. The family members did not worry about fluctuations of the general market as there was no public trading of the stock. Even in 1932 when the dividend was cut, they did not worry too much as living costs were lower.

"However, when the founder of the firm died, the estate taxes had to be paid in cash. The company had become fairly sizeable and executors decided to sell a large block of stock and list the stock on an exchange. Henceforth the peace of mind of happy family was shattered—because they watched the price of their stock go up and down. The Trust Officer of the bank handling the estate was plagued by the family members querying him as to what he thought of the company in view of the market."

The story is an old one and is credited to various and sundry bankers from time to time.

The moral would seem to be, to invest in strong, well-managed companies with growth potential of earnings and dividends over a period of years and little worry as to minor fluctuations.

If they are set too low they may not bother other drivers, but they cut down your own visibility range. It is most important to have your headlights checked and adjusted periodically.

RICH GO-GETTERS
The Rich Go-Getters 4 H group met Tuesday, July 1 at the home of Sandra Gierke to talk about their annual project tour set for July 27. The group will meet at Sharon Kohl's home at 2:00 pm. Following the tour, a picnic is to be held at the home of Carol Schmaedeke. Carol Feigel, Carl of Schmaedeke, and Sandra Gierke comprise the food committee.

Continued to the next meeting was discussion on a swimming party tentatively placed at Michigan City, Ind. public beach. Following the business session, Lyla Harms gave a talk on "sunburn" prevention and treatment.

Refreshments were served by hostess Sandra and Mrs. Gierke. The Aug. 5 meeting will be at the home of Lyla and Eileen Harms. Project books must be up to date for this meeting.

SNIP 'N SNACK 4H
There were 39 members who responded to roll call by describing their work on current projects at the June 24 meeting of the Green Garden Snip 'N Snack 4H Club.

The club voted to have a mother and father of the club. They are Mrs. Tork and Mr. Nagel.

The girls divided into several groups and judged two different kinds of cookies, made by first and second year members. They also studied menus and different kinds of material.

A demonstration and talk was given by Marilyn Deist. Other talks were given by Kathy Voight, Sandra Nagel, Darlene Diment, Sharon Fehland, Pat Sass, Kathy Fehland, and Gloria Heisner.

Presiding was Barbara Scheer, who also gave a report on the last Federation meeting. The secretary and treasurer reports were read and accepted.

The next meeting of the club will be July 10.

HONEY BEES
The Honey Bees of Frankfort discussed Day Camp to be held July 8, at Monee Woods at the last meeting.

The next meeting will be presided by April Schweizer, held in the home of Elaine Mager, at 11:30 a.m. July 9. Girls who are in outdoor meals will make the refreshments.

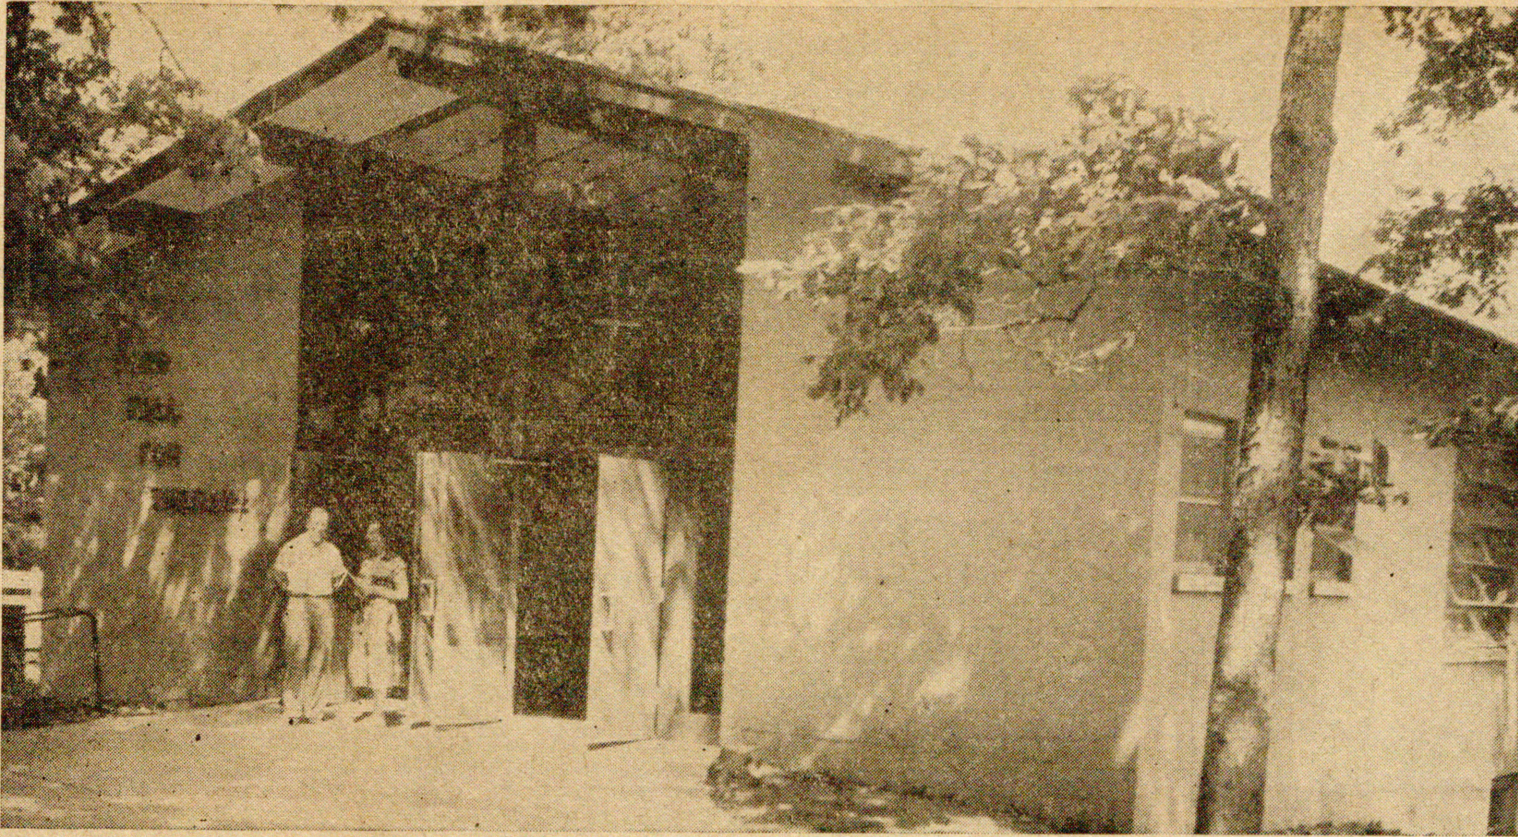

Demonstrations were given at the meeting by the following: Bonnie Lauffer on "Sewing Needs"; Rita Mowatt, "Correct Way to Wash Dishes"; Joan Carver on "Safe Storage of Medicine and Poisons"; and Karen Hobson on "Butterscotch Bars."

Games were played and refreshments were served by the hostess.

Summer Camp Serves Cerebral Palsy Kids

By ANNE RODGER
Children who attend Shady Oaks camp in Homer township, Will County, receive constant supervision from a staff of 52 highly trained personnel.

The summer camp is unique in that no fee is charged although the cost per child per week runs over a hundred dollars.

The only requirement to attend the camp is that the children must have cerebral palsy. Many in addition to this affliction have other handicaps. All of the campers, including those with multiple handicaps are served by five physical therapists, two speech therapists, and a number of counselors.

Many of the members of the staff who work with the children are college students, working towards degrees in special education.

During the summer months approximately 150 children will attend the camp for periods ranging from two to eight weeks. The campers range in age from 6 to 18 years.

The camp director, Gene Hackett, is a former school teacher and also has a certificate as physical therapist. Established nine years ago, he has directed the camp for the past seven years.

The camp is owned and operated by the Parent's Association for Cerebral Palsy Children.

Common Tasks." Nine of the girls modeled their skirts or dresses.

There were 15 guests at the meeting. Selections on the organ were enjoyed. Carol Monson, Sharon Dykstra and Barbara Schilling were organists. Carol Kimmel and Margie Kimmel played duets on the clarinet and trumpet.

The next regular meeting will be held July 11 at the home of Susan Nalepka.

erated by the Parent's Association for Cerebral Palsy Children. No funds for its operation are received from any source, such as the Cerebral Palsy Foundation. All of the money needed is raised by the Parent's Association in many ways, with voluntary contributions from individuals and organizations.

One of the largest contributors for the longest period, is the Free Sons, an organization of Jewish men, whose only stipulation is that the camp bear its name. Thus, on entering the camp grounds, one sees the name Free Sons along with that of Shady Oaks Camp.

The Parent's Association also own and operate two other projects in Chicago. One is a training center in Tinley Park on the south side of the city, which operates daily. The other, Ruth Lodge Cerebral Palsy Center is on the north side of the city. Besides operating daily, this center has 19 resident children, to whom the center is home.

The Shady Oaks camp covers an area of 55 acres and handles about 65 children per week.

The camp is very fortunate in that a grant from the Ford Foundation has made possible the construction of a new building, Ford Therapy Hall, which was dedicated last Sunday.

The building consists of one very large circular room, an office and rest room.

There the children may participate in craft work at specially constructed stand-up tables or from their wheel chairs. The handcraft teaches them to utilize their hands.

Most of the program, however, is carried on outdoors when weather permits. A

counselor handles only one small group of not more than six children at one time.

A reading group, with perhaps one of the children haltingly reading to the others is supervised by a counselor. The books are simple with lots of pictures.

Children who cannot walk without crutches, can be found circling a track on bicycles.

There are children's swings and specially constructed steps which the children may climb.

The walkers aid children to tour the grounds without danger of injury.

Hydro-therapy is performed in a pool where the water is kept at a constant 86 degrees. It is surprising to see children who cannot walk, swim in the pool. This is one of the highlights of their stay at camp for these children whose activities are so restricted.

At Shady Oaks camp the children are encouraged to try many things for the first time. Seeing other children perform feats which they thought impossible, gives them courage to try. They are taught to feed themselves, but there is always someone standing by should the attempt be difficult. Not only the counselors

To Director Hackett it is a constant source of satisfaction for each achievement is only acquired after a great deal of patients and persistence on the part of the adult supervisors and a tremendous effort on the part of the youngsters.

One 16-year old boy at the camp is an artist. One of his paintings adorns the walls of the therapy building. He also draws portraits, although he cannot use his hands. Every stroke of the brush is done by the movement of his head. A circular belt around his forehead to which the brush is attached, enables him to make the required motions. It must have taken an enormous amount of practice and courage to enable him to display his talent.

"These children need a great deal of meat in their diet", Hackett explains, because they are constantly tense and in motion. Sometimes meat is served three times a day at the camp. They also have large appetite for
